Rock music

Rock music has its roots in 1940s and 50s rock and roll, and first became popular in the 1960s. Queen formed in 1971. Like most rock bands, Queen had four members – Freddie Mercury (singer), Brian May (electric guitarist), John Deacon (bass guitarist) and Roger Taylor (drummer).

Rock bands often play to large audiences in arenas or stadiums, and Queen were famous for their incredible live shows. They also experimented with other musical genres, including classical music and pop.

Queen

Ooh, you make me live
Whatever this world can give to me
It's you, you're all I see
Ooh, you make me live now honey
Ooh, you make me live

You're the best friend that I ever had
I've been with you such a long time
You're my sunshine
And I want you to know
That my feelings are true
I really love you
You're my best friend

Ooh, you make me live
I've been wandering round
But I still come back to you
In rain or shine you've stood by me girl
I'm happy at home
You're my best friend

Ooh, you make me live
Whenever this world is cruel to me
I got you to help me forgive
Ooh, you make me live now honey
Ooh, you make me live

You're the first one
When things turn out bad
You know I'll never be lonely
You're my only one
